

PRESS KIT - LABEL BIO

SOUTHERN SMOKE MUSIC GROUP

Southern Smoke Music Group is an independent music label and entertainment company focused on promoting and developing artists within Southern hip-hop and rap.

The label is known for nurturing local talent and providing a platform for artists to showcase unique styles rooted in Southern culture and musical traditions.

Southern Smoke emphasizes authentic production: storytelling, raw lyricism, and beats that resonate with true fans of Southern rap.

The company supports artists across production, marketing, distribution, and event promotion - growing presence regionally and nationally.

Through a network of producers, artists and industry professionals, Southern Smoke Music Group represents a significant part of the Southern hip-hop scene and its ongoing evolution.
